Don't just take my word for it

Christa was so wonderful to work with for my July 2023 wedding. She was easy to communicate with leading up to the day and helped a lot with our planning offering suggestions from her expertise. My family still raves about how efficient our family photos were and I am so happy with the finished product which was delivered in such a fast manner. Could not recommend her enough!

Christa was absolutely amazing for our wedding! She was on time, thorough, and knew exactly what she needed to do and in the end we had the most amazing photos! We were able to capture the most amazing memories of ceremony, cocktail hour and of all our family and friends! I can not recommend her enough! You will not be disappointed!
